

Silk Line

Soft Denture Relining Material

(Primer)

J. MORITA
USA INC.

Regional Partner

Safety Data Sheet (SDS)

Section 1: Identification

Product name: Silk Line - Soft Denture Relining Material (Primer)
Supplier: J. Morita USA, Inc.
9 Mason, Irvine, CA 92618, USA
Emergency phone number: (888) JMORITA (1-888-566-7482) or
(949) 581-9600

Section 2: Hazard(s) Identification

Risk identification: Xn; R40
Special risks for human being and environment: Harmful
Classification: Classification corresponds to actual EEC guidelines

Section 3: Composition/Information on Ingredients

Ingredients: Solution of polyacrylate in dichloromethane
Hazardous components: Dichloromethane / CAS-Nr. 75-09-2

Section 4: First-Aid Measures

After skin contact: Wash with plenty of water and soap. Remove contaminated clothes
After eye contact: Rinse with plenty of water with the eyelid held wide open and consult an eye physician
After swallowing: Caution if victim vomits. Risk of aspiration. Keep airways free. Drink plenty of water, but no milk, castor oil or alcohol and consult a physician

Section 5: Fire-Fighting Measures

Extinguishing media: Dry chemical foam, water. Practically non combustible.
Protective equipment: Chemical protection clothing and self-containing breathing apparatus

Section 6: Accidental Release Measures

Personal precautions: Use only in well-ventilated area
Environmental precautions: Do not empty into drain
Methods of cleaning up: Wipe out with absorbent materials and dispose rest of product

Section 7: Handling and Storage

Handling: Not applicable
Handling procedures: Not applicable
Recommendation for fire and explosion protection: Not applicable
Storage: Store in dry place at room temperature

Section 8: Exposure Controls/Personal Protection

General measures of protection and hygiene: Normal hygienic measures
Respiratory protection: Do not breathe vapor
Hand and skin protection: Wear gloves
Eye protection: Wear goggles
Hygiene measures: Do not eat or drink when using

Section 9: Physical and Chemical Properties

Form: Liquid
Color: Slightly yellow
Odor: None
Melting point / range: Approx. 95 °C
Boiling point /range: Approx. 40 °C
Flash point: Not applicable
Flammability: Not applicable
Water solubility: Insoluble

Section 10: Stability and Reactivity

Stability: Stable by proper use, avoid high heat and fire
Incompatibility with other substances: > 120 °C thermal decomposition occurs. Avoid contact with alkaline metals, alkaline earth metals, metals in powder form
Hazardous decomposition products: In case of fire: phosgene, hydrochloric acid

Section 11: Toxicological Information

Primary irritation – skin: Irritating
Primary irritation – eye: Severely irritating
Inhalation: Irritating
Ingestion: Nausea and vomiting
Sensitization of product: Not observed
Additional toxicological information: During the long period of use as primer for relining materials no health diseases are reported. Under proper conditions and consideration of the normal hygienic measures it can be handled without risks for health. But it may react irritating on eyes or skin or may cause allergic reactions

Section 12: Ecological Information* (non-mandatory)

Do not dispose into drains or the environment.

Section 13: Disposal Considerations* (non-mandatory)

Disposal must be made according to federal, state and local regulations.

Section 14: Transport Information* (non-mandatory)

Not applicable

Section 15: Regulatory Information* (non-mandatory)

Not applicable

Section 16: Other Information

Date prepared: 03/25/17

The information, which is contained in this document, is based on available data. However, as such had been obtained from various sources, including independent laboratories, it is given without warranty or representation that is complete, accurate and can be relied upon. J. Morita USA, Inc. has not attempted to conceal in any way the deleterious aspects of the product listed herein, and makes no warranty as to such.

*Note: Since other Agencies regulate this information, OSHA will not be enforcing Sections 12 through 15 (29 CFR 1910.1200(g)(2)).
